Oxford Learning Academy where students reach their full potential and find personal satisfaction in achievement.

Mission Statement:

Our personalized education commitment to every student and family will inspire and empower girls and boys to become lifelong learners. OLA will inspire, support, and nurture students to reach their full potential.

Education Philosophy:

Oxford Learning Academy believes in the power of education and that every child deserves an education that speaks to their individualized needs. Students will be provided the opportunity to work at a pace that best suits their learning capabilities.

Goal:

It is our goal at Oxford Learning Academy to inspire, support, and nurture learning in a safe and engaging environment. Our teachers and administration staff will motivate and inspire their students by being passionate learners themselves. Our programs encourage questions and self-discovery allowing each student to develop unique personal growth. Our teaching will be relevant to everyday life, issues, and topics. We will teach for relevancy and understanding.

Teachers:

Teachers at Oxford Learning Academy are certified teachers, specialized, and part of a high performing team committed to excellence in education. Our teachers value diversity, have integrity, and are committed to lifelong learning and development.

Curriculum:

The Oxford Learning Academy curriculum is rooted in core academic subjects with an emphasis on metacognition: helping students learn to learn. Our method of personalized education allows every student to be appropriately challenged: student-directed and teacher-led! Continuous evaluation of progress allows ongoing expectation adjustments, balancing of demands, and fine tuning of skill levels so every student can continually improve to reach his/her potential.

Environment:

Oxford Learning Academy offers: small classes, differentiated instruction, certified and specialized teachers, acknowledgement and appreciation of diversity, and open communication between students, teachers, and parents.
